

Database Systems, fall 2006

Rasmus Pagh

Hand-in due September 12, 23.59 Danish time:

Exercise 2.2 from RG page 52.

You may hand in on paper during the exercise session on September 12, or e-mail to your teaching assistant. When using e-mail, please send the file in a common format (preferably PDF), and start the subject line with **DBS:.** Consult the course home page on which teaching assistant to send your hand-in to (will be announced together with the groups for the group project no later than September 8).

You can use the copiers/printers at ITU or the PDFwriter software (link on course home page) to generate a PDF file.
